

The river Mèder

The river Mèder is a tributary of the river Gurri, which, at the same time, is a tributary of the river Ter.

The river source is located in Santa Eulàlia de Riuprimer and it runs through 14,5Km, reaching the river mouth, which is located in Vic.

It's your turn: Have a look at this map, where you can see the rivers of Osona. Then, use these 5 signals to label the map:

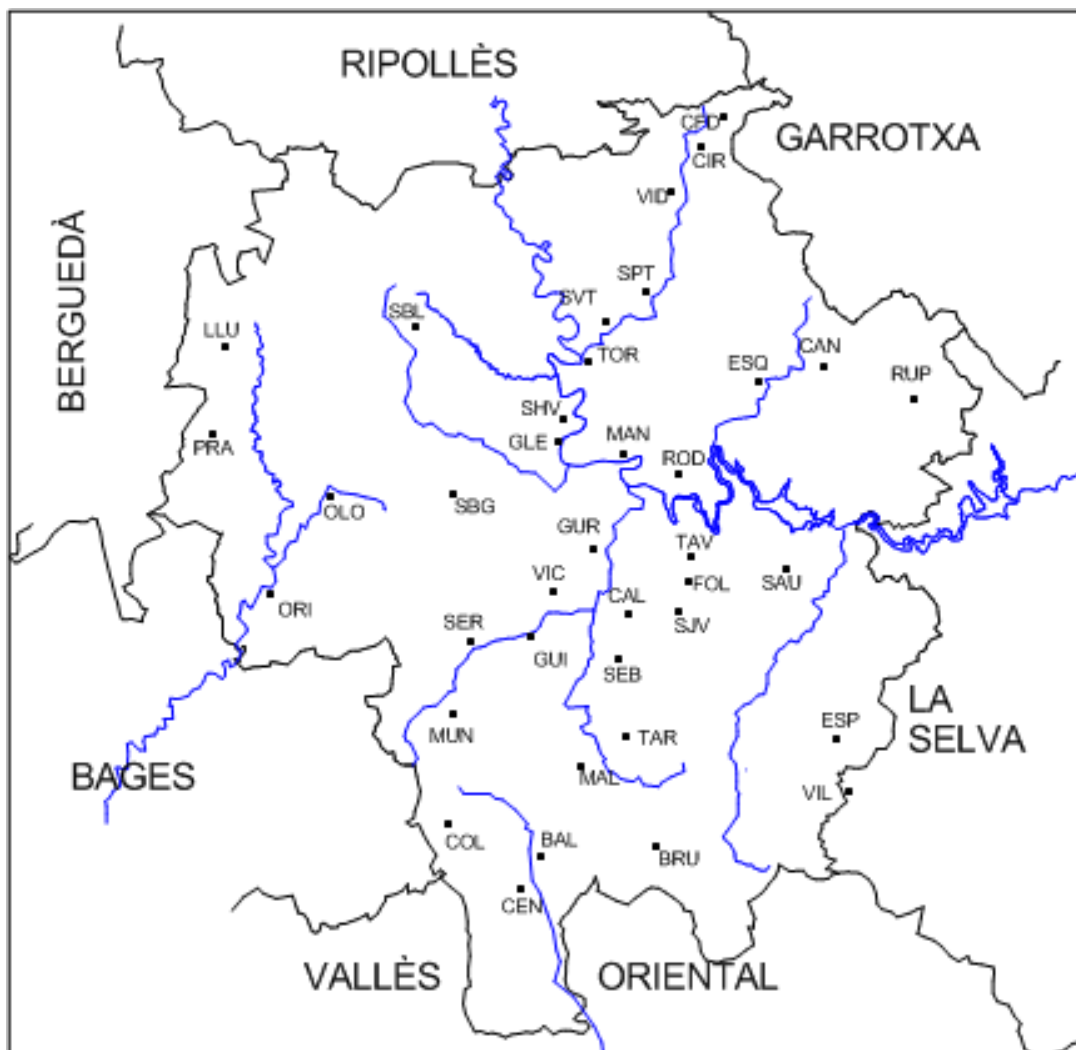

Mèder river source

Gurri river source

Ter river

Mèder river mouth

Gurri river mouth

[illegible]
